

# Ronald McDonald House Charities®

Celebrating 35 Years of Helping  
to Improve the Health  
and Well Being of Children  
and Families Around the World

## Did You Know?

Ronald McDonald Houses serve more than **10,000 families** each day and in 2007, saved families more than **\$226 million** in hotel costs.

Nearly **60 percent** of children seen on Ronald McDonald Care Mobiles do not have health insurance.

In 2007, the Ronald McDonald Care Mobile program saved families more than **\$10 million** in health care costs and on average, serve **100,000 children** in vulnerable populations each year.

Ronald McDonald House Charities®, a non-profit, 501 (c) (3) corporation, creates, finds and supports programs that directly improve the health and well being of children. Its programs are grassroots-driven to enable the Charity to offer help where children need it most – right in their own communities.

RMHC® makes an immediate, positive impact on children's lives through its global network of local Chapters in 52 countries and its three core programs: the Ronald McDonald House®, Ronald McDonald Family Room® and Ronald McDonald Care Mobile®.

### Volunteer Support

RMHC relies heavily on its strong network of corporate, community leaders, individual donors and more than 30,000 staff and volunteers around the world to fulfill its mission. Each year, Charity volunteers donate millions of hours to support families in need.

## Ronald McDonald House

Provides a "home-away-from-home" for millions of families with seriously ill children being treated at nearby hospitals. The Ronald McDonald House allows families to spend more time together when it matters most – which helps children heal better and faster. There are 291 Ronald McDonald Houses open in 30 countries and regions worldwide.

## Ronald McDonald Family Room

Provides a home-like haven inside hospitals, where families have the opportunity to refresh, rest, and reflect, without leaving their children's sides. Today, there are 145 Ronald McDonald Family Rooms in 16 countries and regions.

## Ronald McDonald Care Mobile

A fleet of state-of-the-art vehicles that act as a bridge to accessible healthcare by delivering cost-effective medical, dental and health education services directly to underserved children in their own neighborhoods.

Through a relationship with a clinical service provider in their community, local RMHC Chapters develop and execute

their respective Ronald McDonald Care Mobile programs with services tailored to the specific needs of the local community. Currently, there are 38 Care Mobiles in 6 countries and regions, bringing healthcare services to areas where it is needed most.
